C. E. SMART,
County Treasurer.

Carroll, SS. To the Superior Court.

The undersigned, Auditors for said County of Carroll, respectfully represent and report that we have examined the account of the County Commissioners, County Treasurer, and Superintendent of the County Farm, from July 1st, to December 31st, 1921, and find

Statement of Inmates at Farm During Year 1921

Number of inmates at farm, Jan. 1, 1921	34
Number of inmates admitted,	15
Number of inmates discharged,	7
Number of inmates died,	5
Number of inmates at farm, Jan. 1, 1922,	37
Number of weeks support at Almshouse, House of Correction and Jail,	1,635 weeks, 1 day
By dividing the net cost of \$7,877.46 by the number of weeks support 1635 1-7 we have a cost per week per inmate, \$4.81 plus.	

Gentlemen:—In closing this, our first annual report, we wish to thank the Board of Commissioners, Chaplains, Physician, and all connected with the institution for their hearty co-operation. We wish to thank the many friends who have visited and brought gifts to our unfortunate wards.

In the loss of the Rev. Daniel McIntyre the institution lost the services of a faithful, painstaking chaplain.

We consider it very fortunate that we were able to obtain the services of Rev. F. C. Cooper as chaplain, and we wish to especially thank him, as it was, we believe, by his efforts, that we were enabled to give our wards suitable Christmas.

We have expended \$14,050.34 this year, in this is \$550.00 for coal delivered at Carroll County Court House. We have repaired the electric light plant at an expense of \$450.00. Also expended \$227 for minor repairs of buildings.

We have expended \$14,050.34 this year, in this is call your attention to the condition of buildings. The Almshouse, with the exception of windows, which are old, paint and paper, is in quite a respectable condition above the basement. The basement includes kitchens, laundries, electric light and heating plant. The heating plant is old and, by the best information we are able to obtain, is badly in need of repairs.

The basements of our barn and stable are also in need of repairs.

Respectfully submitted,

ARTHUR L. MASON,
Superintendent.

Solicitors's Report

TO CARROLL COUNTY COMMISSIONERS:

At the May term there were found nine indictments, four for breaking and entering, four for larceny, one for abuse of a female child, and one for conversion by bailee.

There was but one jury trial which resulted in a conviction on the conversion indictment. The respondent was sentenced to State Prison for not less than three nor more than four years. Upon pleas of guilty on the breaking and entering indictments sentence was suspended. Two juveniles were sent to the Industrial School. The other respondent for larceny was sentenced to State Prison for one to two years.

At the October term there were found nine indictments. Two for breaking and entering and upon a plea of guilty one respondent was sent to State Prison for one year to a year and a half, the other was sent to the House of Correction for one year. One indictment for rape after a jury trial upon conviction the respondent was sentenced to State Prison for three to four years. The other indictments are on file as the respondents cannot be found. Violations of the prohibitory law are very prevalent.

I desire to commend Sheriff Leavitt and his deputies Pike, Dinsmore, Weeks and Gilman for their very patient and effective service rendered in bringing all offenders of the law to the bar of justice. Their vigilance and devotion to duty is praiseworthy.

WM. J. BRITTON, Solicitor.

AID TO PERSONS QUARANTINED.

It sometimes becomes necessary to assist a family when quarantined on account of scarlet fever, diphtheria, etc, by reason of its being deprived of the opportunity to earn wages or from other causes, and to provide for which the following law was enacted by the legislature and approved March 11, 1899.

SECTION 1. Whenever any person or family is placed in quarantine by a board of health, to protect the public against small pox, scarlet fever, diphtheria or any other dangerous, infectious or contagious disease, it shall be the duty of said board to assist such person or family while in quarantine in such a manner as in the judgment of the board may be deemed wise and necessary.

SECT. 2. All expenses thus incurred, or such part thereof as the board may determine, shall be deemed a legitimate expenditure for the protection of the public health and shall be charged to the account of incidental expenses, but not to any indigent pauper account, nor shall such ex-

penditure be construed to mean a public aid to the person or persons quarantined and assisted unless such person or persons are already paupers as defined by the Public Statutes..

The above law would seem to solve, in a thoroughly satisfactory way, a question which heretofore has been considerable of a problem in some localities. The entire matter is left to the judgment of the local board of health, and whatever aid the board may deem to be wise and necessary to extend to the families in question must be paid by the town and charged up as provided for in section 2.

Public Statutes

CHAPTER 84.

LAWS IN RELATION TO AID FURNISHED TO INDIGENT SOLDIERS, AND PROVIDING FOR ENTRANCE TO THE SOLDIERS' HOME IN CERTAIN CASES.

SECT. 9. Whenever any person resident in this state, who enlisted in the quota of this state, and was reckoned and served as a soldier or sailor from New Hampshire in the army or navy of the United States, in the War of the Rebellion or in the Spanish or Philippine wars, and who received an honorable discharge, not being under guardianship or legal restraint, shall become poor, and unable to provide maintenance for himself and dependent family, such person, his wife widow or minor children, or such of the children as are unable to maintain themselves shall be supported at the public expense in the town or city of their abode, at their own home or any such place, other than a town or county alms-house, as the overseers of the poor or county commissioners shall deem right or proper, but no person shall receive aid under the provisions of this section unless he has resided in this state three years or more before making application for such aid, and no person shall, while receiving aid under the provisions of this section use intoxicating liquor to an extent which shall render him incapable of working at his usual occupation and no person receiving aid under the provisions of this section shall sell any article furnished him, nor exchange them for intoxicating liquors, nor share any such aid with any persons other than those above named as being entitled to the benefit of these provisions. Any person re-

ceiving aid under the provisions of this section, who receives a pension from the United States government, shall, while receiving such aid, apply the pension to the support of himself and dependent family, and shall, when requested, furnish to the overseers of the poor or the county commissioners satisfactory proof that such pension has been so applied. Any person applying for such aid, shall, when requested, furnish to the county commissioners or the overseers of the poor the certificate of a reputable physician, resident in the county in which he lives, as to the incapacity on his part to perform manual labor. Neglect by any person applying for or receiving aid under the provisions of this section to comply with the foregoing provisions and conditions of this section so far as such person is concerned, and such person may be supported at the town or county almshouse.

SECT. 10. The expense of support furnished under the provisions of the preceding section shall be kept and reported in a separate account under the head of "aid furnished to dependent soldiers and their families," and not in the general pauper account, but shall be recoverable of the person, town or county liable therefor as in other cases.*

SECT. 11. The county commissioners or the overseers of the poor of any town may require any person applying for aid under the provisions of Section 9 of this chapter, who is eligible for admission, to make application for admission to the New Hampshire Soldiers' Home, in case he has no family or settled place of abode, whenever in their discretion they deem it best; and if such person refuses to make such application, or if admitted refuses to go to said Soldiers' Home, the county or town shall be relieved from the provisions of the preceding sections so far as such person is

concerned, and he may be supported at the county or town almshouse.

AN ACT

TO PROVIDE FOR THE PUNISHMENT OF PARENTS FOR THE ABANDONMENT OF THEIR FAMILIES IN CERTAIN CASES.

* This section was passed by the house and senate, but was omitted from the engrossed bill. Such references are made to it in the engrossed bill that it is evident the legislature intended it should be a part of the law.

*Be it enacted by the Senate and House of Representatives in
General Court Convened:*

SECTION 1. That as used in this act the word "children" shall be limited to mean children under sixteen years of age and also such children over sixteen years of age and under twenty-one years as by reason of physical or mental infirmity are incapable of supporting themselves; and further that separation within the meaning of this act shall include, in addition to the cases embraced within the usual meaning of the word, every case where a husband has caused his wife to leave him by conduct on his part which would be ground for divorce and also every case where by extreme cruelty or other conduct it becomes improper for children to remain with their father and have for this reason become separated from him.

SECT. 2. If any husband or father being within the limits of this state shall hereafter separate himself from his wife or from his children or from his wife and children without reasonable cause and shall wilfully neglect to maintain his children, and his wife, when such wife is destitute or dependent wholly or in part on her earnings for adequate support he shall be guilty of a misdemeanor, and on conviction thereof be sentenced to jail or the house of correction for a period of not more than six months, and to pay a fine not exceeding twenty dollars or either or both at the discre-

tion of the court; such fine if any to be paid or applied in whole or in part to the deserted wife or children as the court may direct.

Provided no such conviction, payment of fine or undergoing imprisonment shall in any manner effect the obligation of any order for support theretofore made against the defendant.

And provided further that upon conviction the court may suspend sentence upon and during compliance by the defendant with any order for support theretofore made against him as already made or as may theretofore have been modified in the manner now provided by law; and if no such order shall have been made then the court trying the defendant may make such order for the support by the defendant of his wife and children or either of them which order shall be subject to modification by the court on cause shown and the court may suspend sentence upon and during compliance by the defendant with such order as originally made or as subsequently modified by the court.

SECT. 3. If any woman or mother shall separate herself as the term is defined in section 1 of this act from her husband without cause, or from her children, she shall be guilty of a misdemeanor and upon conviction thereof shall be sentenced to the county jail or the house of correction for a term not exceeding six months and to pay a fine not exceeding twenty dollars or either or both as the court may determine, the fine if any to be applied in the discretion of the court to the benefit of the deserted husband or children or both.

SECT. 4. All acts and parts of acts inconsistent with this act are hereby repealed.

SECT. 5. This act shall take effect upon its passage.
Approved, March 22, 1907.

SECT. 2. If any person, knowingly and with wrongful intent shall aid or abet in the abandonment of such infant he shall be punished by a fine not exceeding one hundred dollars or by imprisonment not exceeding two years, or both.

SECT. 3. This act shall take effect upon its passage.

Approved, January 31, 1907.
